

Food List

After answering hundreds of questions about the Daniel Fast on the blog, I developed these food guidelines. My hope is that it will serve as a more complete list. The original list used by many people was issued in a book about fasting. I know the author tried to do the best he could, but that isn't the same as getting hundreds of questions seeking clarification.

Please make sure to **READ THE LABEL** when purchasing packaged, canned or bottled foods. They should be **sugar-free** and **chemical-free**. Keep this in mind as you review this list of acceptable foods. Look for the list of ingredients on the label (not the nutritional value) to make sure all the ingredients comply with the Daniel Fast Guidelines.
