

Calvary Bible Institute

Calvary Bible Institute (CBI) is a short-term part-time, non-degree granting institute designed to provide a Christian education to persons preparing for or currently serving in Christian ministry, as well as those who want to go deeper into God's Word. CBI equips believers in biblical and doctrinal studies, and ministry and leadership skills so they can be prepared to do the work of the ministry. The mission of CBI and its qualified resident instructors includes the development of those gifts and calling by providing academic excellence through an experiential and practical education.

Diploma in Biblical Studies and Leadership Development, or Audit Certificate of Participation (3 years – 406 hours of learning): systematic curriculum with the objective of giving a Biblical foundation for lay Christians seeking a deeper systematized study of the Word of God, individuals who are called to professional Christian ministry, as well as train individuals who have demonstrated spiritual gifts, a calling from God, the ability to lead others, and the faithfulness to reproduce what they are given. *And the things you have heard me say in the presence of many witnesses, entrust to reliable men who will also be qualified to teach others* (2 Timothy 2:2).
